Business Valuation Associate/Senior Associate

Description

Vallit Advisors is seeking professionals who are working towards obtaining an ASA, ABV, CVA or CFA designation with 2-4 years' experience who are looking to change, re-define or fine-tune their career path to focus on business valuation, dispute consulting, forensic accounting, and M&A transaction advisory services. This is a great opportunity for professionals with a business valuation or related accounting or finance background to join a nationally recognized, rapidly growing firm with a specialty focus whose Partners are leaders in the field. We offer a competitive compensation and benefit package with opportunities to advance and learn alongside nationally known industry experts in a firm that focuses solely on dispute consulting, business valuation, forensic accounting, and transaction advisory services.

Seeking Business Valuation Associate/Senior Associate to join growing valuation/litigation advisory/forensic accounting firm based out of our Annapolis, Washington, DC, or Baltimore offices. Experience in business valuation, dispute consulting, forensic accounting, M&A transaction advisory services, or related areas is preferred.

Responsibilities

The role includes work in the business valuation service industry. Common types of assignments include business valuations for disputes, estate and gift tax planning, business transaction/combo, and corporate planning purposes.

The candidate must have strong Excel, financial analysis, and communication skills including the ability to articulate, in writing, the opinions and analysis of the assignment.

Qualifications

Qualifications include a degree from an accredited university or college in finance, accounting, and/or economics and 2 to 4 years of work experience. The desire to work in a fast-paced environment for a rapidly growing firm. Previous qualified work experience may include preparing business valuations at a CPA, consulting, or investment banking/finance firm. In addition, desire to obtain or progress towards credentials such as ASA, ABV, CVA or CFA.
