Intern

Description

Vallit Advisors, LLC offers a broad range of services in litigation support and business valuations. We assist our clients with challenging financial and economic issues in complex litigation. The FVS team is seeking an intern for a part-time or full-time schedule.

Responsibilities

As an intern in the FVS group, your responsibilities would include providing staff assistance towards:

- performing business valuations of closely held companies and partnerships for purposes of estate/gift tax planning, marital dissolution, and shareholder disputes
- developing graphical analysis and designing court exhibits for trial
- supporting the discovery process, asset tracing and marital spending analysis
- completing economic damage analyses for breach of contract litigation
- performing industry & company research
- constructing narrative reports to support business valuations
- updating and improving the business valuation template

Qualifications

The ideal candidate would possess:

- a major in Finance or Accounting
- a minor in Accounting, Finance, Economics and/or Statistics
- familiarity with analyzing financial statements
- familiarity with business valuation
- proficiency in Microsoft Excel (specifically graphical aspects)
- familiarity with Microsoft Office
- familiarity with QuickBooks
- interest in pursuing a career in business valuation and forensic accounting
