

ANDREW J. SCHMIDT, MS

Analyst

Andrew J. Schmidt is an Analyst at Vallit Advisors, LLC. His focus is on providing services for forensic, valuation and dispute matters. He is experienced in providing forensic accounting analysis, valuation and shareholder disputes as well as a wide variety of economic and fraud matters.

Professional Background

Andrew has over two years of forensic accounting analysis experience in helping prepare schedules and analysis for report purposes. His forensic accounting experience includes income and expenses analyses and asset tracing in support for both shareholder and domestic disputes. Andrew also has over two years of business valuation experience. This includes preparation of business valuations for marital disputes. Concurrently with his experience in the forensic and valuation fields, Andrew gained significant experience in both the audit and tax fields. His audit experience includes performance of work in both the low-income housing and construction industries. His tax experience includes preparation of all kinds of corporate and shareholder tax returns.
