

## HARRY G. STURGIS, CPA/ABV, ASA

### Manager

Harry G. Sturgis is a manager at Vallit Advisors, LLC. He has over eleven years of valuation, forensic accounting and dispute consulting experience. He is experienced in performing analysis for marital dissolution, shareholder disputes, economic damages, fraud investigations, estate and gift tax matters, and business transactions.

### Professional Background

Harry's business experience includes valuing closely held businesses in a variety of industries for dispute and non-dispute purposes. He also has experience in performing valuations for economic damage calculations for commercial and intellectual property assignments. His forensic accounting experience involves asset and income tracing/analysis for shareholder and marital disputes, as well as fraud detection. Harry also provides attorney case assistance for discovery requests, document management, settlement structuring and long-term financial planning as well as the preparation of expert reports and rebuttal analysis.
