

ANDREW G. ROPER CPA, CFE

Supervisor

Andrew Roper, CPA, CFE, joined Vallit Advisors, LLC, as a supervisor in December 2021. Prior to Vallit, Andrew spent 5 years performing litigation support services, including damage calculations, lost profit analyses, forensic investigation, claim preparation and analysis, contract analysis, and assisting expert witnesses with deposition and trial preparation and support. Andrew will be focused on providing dispute resolution and business valuation services for our clients spanning a diverse range of industries and fields.

Andrew is in charge of supervising Vallit's team of associates and analysts at our Annapolis and Washington, D.C. offices. He is also responsible for communicating with clients, attorneys and partners about complex litigation matters, preparing and reviewing financial models and reports, and preparing trial deposition matters.

Professional Background

Andrew has experience providing large-scale litigation support services for dispute resolution and forensic investigation matters for a diversified and broad range of private and public companies in government contracting, hospitality, manufacturing, construction, and real estate development industries with total amounts claimed ranging from \$1M-\$200M. He has performed litigation support services for a variety of engagements, including contract analysis, claim preparation and analysis, lost profit analysis, forensic investigation, expert witness preparation for deposition and trial, and damages calculations. Andrew also has experience working on federal financial statement audits for Department of Defense clients, as well as audit experience in nonprofits and local government entities.
